

CSEA has a new mobile application called [MyCSEA](#) and it's just for members like you! This free app, available for [Apple](#) and [Android](#) devices, provides quick access to:

- Valuable member benefits, including discounts, legal services, and the free \$10,000 accidental death benefit;
- Upcoming statewide and regional events/meetings;
- Never Quit Toolkit, Employee Benefit Fund, and other helpful member resources;
- Important phone numbers for headquarters and regional offices;
- Know Your Rights as a union member reference guide; and
- Your important membership numbers, including your CSEA Member ID, EBF ID, and AFSCME ID.

The MyCSEA app also gives you the capability to update your personal information, including home address and phone number.

While the new app is available now, we are always looking for ways to improve it! Tell us what you think by clicking the convenient Feedback button on the app. We'll be incorporating member feedback into the app and will notify you when updates are available.
